Sir:

The undersigned requests that a Certificate of Correction be issued for the above-identified patent as indicated on the attached Form PTO-1050.

This request is being made in order to correct errors on the cover page as well as in the claims. On the cover page please correct the assignee to be as it shown in the recorded assignment records, reel 012269, frame 0247 (copy enclosed). The assignees name was incorrectly listed on the transmittal form PTOL-85B when paying the issue fee. The error in the assignee was an inadvertent typographical error made by our office. Please insert the Foreign Application Priority Data to be as it is shown in our Request for the PTO to Acknowledge Receipt of the Priority Document dated February 2, 2004 (copy enclosed).

In the claims please correct errors in claims 1, 4, 7, and 8 as shown in the Examiners Amendment/Reason for Allowance (copy enclosed). The error in claim 3 appears to be an error made by our office. It is respectfully submitted that no new matter has been added.

Since some these errors were made by our office, we are enclosing the fee of \$100.00. If any additional fees are required, please charge our Deposit Account No. 01-2340.

Respectfully submitted,
ARMSTRONG, KRATZ, QUINTOS,
